SCHOOL PROSPECTUS

As-salam 'alaykum wa rahmat Allah wa barakatuh

Welcome to Lady Nafisa School

Lady Nafisa School was established in September 2009 Alhamdulillah, in our short history it has grown from strength to strength. We are proud of our first graduates who achieved exceptional GCSE results. 93% GCSE passes at grades A - B and even more impressively, passes at Grade A*/A was 39%, which is more than double the national average. Our students work hard and aim high, indeed, our motto 'Whoever Strives Will Succeed' underpins all that we do. We strongly believe in academic rigour, devotion to learning and a widening of horizons.*

Our staff play a crucial role in our success. They are highly qualified and are passionate about eliciting the full potential of each and every one of their students. We have devoted much time on developing a unique curriculum which aims to meet the intellectual, spiritual and recreational needs of the students.

Furthermore, we are committed to providing a nurturing and inspiring environment where students can grow as individuals as well as developing socially. We passionately believe in learning outside the classroom and use all opportunities for our students to go on visits, participate in community events and clubs.

Finding the right school for your daughter can be a nerve-wracking but ultimately an exciting prospect for both you and your child. Here at LNS we aim to produce balanced, confident and open-minded young British-Muslim women. Moreover, we hope to provide them with an understanding of Islam that prepares them to excel in higher education and contribute to the wider world.

This prospectus gives you a flavour of our school. We would encourage you to come along and visit us.

I look forward to meeting you and your daughter.

Mrs Fouzia Butt BA, QTS

"I think school is so good because the teachers are really passionate about their subjects and really care about us as individuals."

~ STUDENT

Our Vision
An inspiring learning centre in which individuals can blossom and flourish to achieve spiritual, academic and personal excellence in all that they do.

Students are nurtured to contribute to the success of their families, communities, society and the world around them

There is a clear focus on providing the girls with a good balance of academic study alongside developing their understanding of Islamic teaching and practices.

~ OFSTED

The spiritual dimension of the girls' development is fostered well through prayer and reflection, as well as in lessons where they enjoy learning and experiencing new things, such as seeing plant cells through the microscope for the first time.

~ OFSTED

"I liked the practical and detailed side on Islamic topics, which my daughter is now able to relay with confidence to others"

~PARENT

"I am very happy that my daughter is receiving an excellent education at LNS, the small class sizes mean my daughter gets the one-to-one attention she needs to excel"

~ PARENT

The curriculum provides good opportunities for lively debate and extended learning experiences that develops their [the students] understanding and interest.

~ OFSTED

"I really enjoy english because it gives me a chance to be creative and I can put my own ideas forward"

~ STUDENT

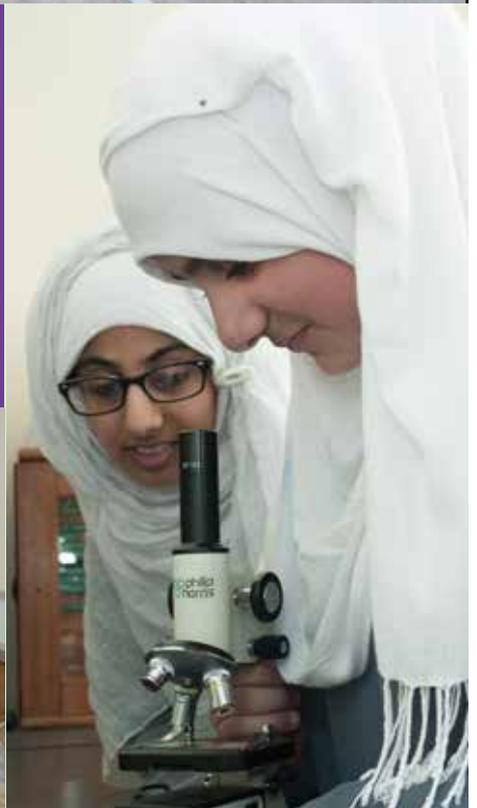

At LNS we want our students to achieve the best they can both academically and spiritually by providing an environment conducive to their spiritual growth and a wide range of GCSEs taught by qualified and committed teachers.

"I found Science good and fun. We did lots of practicals. I enjoy Science more than any other subject"
~ STUDENT

The range of educational visits last year is impressive and much appreciated by the girls. In particular, they talk about how much they gained from visiting the Globe Theatre, the British Museum and the Science Museum.

~ OFSTED

We aim to provide a broad and balanced curriculum in which learners can excel and exceed beyond their expectations
